

CDC Committee on Mathematics Education (2001-2002)

Gist of the Second Meeting

Date : 30 January 2002 (Wednesday)

Time : 2:30 p.m.

Venue: Room 110, 1/F, Curriculum Resources Centre, 24 Tin Kwong Road,
Kowloon

Points discussed and conclusions arrived:

1. Members discussed the proposed senior secondary courses with reference to whether the 2 optional subjects under the proposed new senior secondary academic system would include mathematics subjects.
2. Members expressed their views on the draft content and the schedule of compilation of the Mathematics Education KLA Curriculum Guide (P1 – S3).
3. A piloting of Basic Competency descriptors at P3 would be held in June 2002.
4. Members opined that the same rationale to trim the Additional Mathematics Curriculum should be applied to the revisions of the 4 sixth form Mathematics subjects.
