

CDC Committee on Mathematics Education (2003-2004)

Gist of the Third Meeting

Date : 28 June 2004 (Monday)

Time : 2:30 p.m.

Venue: Room 110, 24 Tin Kwong Road, Kowloon

Points discussed and conclusions arrived:

1. The CDC-HKEAA Committee on Mathematics Education (Senior Secondary) had finished the discussions on the aims, the framework and the draft contents of the New Senior Secondary Mathematics Curriculum. A consultation document was compiled for members' discussion and consideration.
2. Members proposed some modifications to the consultation document and agreed to put forward the document to collect views from schools.
3. It was suggested to carry out a small-scale review to collect information on the problems and good practices in the implementation of the revised Secondary Mathematics Curriculum.
4. Members discussed and considered different measures to support the learning and teaching of Mathematics in Hong Kong.
