

CDC Committee on Mathematics Education (2003-2004)

Gist of the Second Meeting

Date : 7 May 2004 (Friday)

Time : 2:30 p.m.

Venue: Conference Room, 12/F, Kowloon Government Offices, 405 Nathan Road, Kowloon

Points discussed and conclusions arrived:

1. The definition of Basic Competency (BC) of Mathematics was re-visited.
2. The comparison between the old and the revised versions of BC was reported. It was agreed that the revised versions of BC of Mathematics would be passed to HKEAA for further actions.
3. Members discussed the proposed framework of the New Senior Secondary Mathematics Curriculum.
4. The revised primary and secondary mathematics had implemented for some years. Members suggested to collect feedback and information from frontline teachers on the implementation of the revised primary and secondary mathematics curricula so that the Committee would have concrete information to plan support measures to teachers.
