

## **CDC Committee on Mathematics Education (2009-2010)**

### **Gist of the Third Meeting**

**Date :** 8 July 2010 (Thursday)

**Time :** 2:30 p.m.

**Venue:** Conference Room, 12/F, Kowloon Government Offices, 405 Nathan Road, Yau Ma Tei, Kowloon

#### **Points discussed and conclusions arrived:**

1. A new member was nominated by CDC Committee on Early Childhood Education to serve our Committee.
2. The findings from Curriculum Development (CD) visits were reported to members and members expressed their views on the issues of concerns from the findings.
3. It was agreed to look at the interface on the learning and teaching of Mathematics between the kindergarten and the primary levels.
4. The Mathematics Education Section would explore the feasibility of the arranging the professional training courses for teachers at different times like Saturday mornings, school holidays, some evenings, etc...
5. As the 1<sup>st</sup> draft of the Starter Kit for teachers was lengthy, the officers concerned had to re-write it into a question-answer format for easier reference by new teachers. The schedule for publication was delayed.
