

CDC-HKEAA Committee on Chemistry (2015-2017)
Gist of the 7th Meeting

Date of meeting: 9-5-2017

Salient points of the discussion:

1. The proposed updates on the selected topics of the Chemistry Curriculum had been drafted based on the comments collected in the previous meetings. Members further deliberated on the updates and put forward views and suggestions.
2. The strategies to cater for learner diversity for Chemistry and Combined Science (Chemistry Part) Curricula were briefed and discussed.
