

**CDC-HKEAA Committee on
Health Management and Social Care (2013-2015)
Gist of the 1st Meeting**

Date of meeting: 28 October 2013

Salient points of the discussion:

Key issues raised/discussed

- Prof. Albert LEE was elected as the chairperson.
- To define the scope of work in the Medium-term Review in connection to the SBA design
 - to explore the format of SBA2 (Project for Electives) – in the form of written / audio-visual or other formats instead of written report so as to better achieve the learning targets related to the elective part of the curriculum and assessment objectives
 - to review arrangement of the SBA tasks, including (i) making SBA2 as an extended task of SBA1, or vice versa; (ii) integration of SBA1 and SBA2 into one SBA task; or (iii) modify the requirement of SBA2
 - To review the weighting of SBA in light of the possibility of restructuring SBA tasks

Recommendations/actions to be taken

- The Meeting proposed to set up a working group comprising the Chairperson and teacher members to further discuss and propose the details of SBA design for discussion in the next meeting.
