HKDSE PE SBA

Mr. Cheng King Leung

22.10.2011

Running of SBA What shall I do?

How to do it?

What

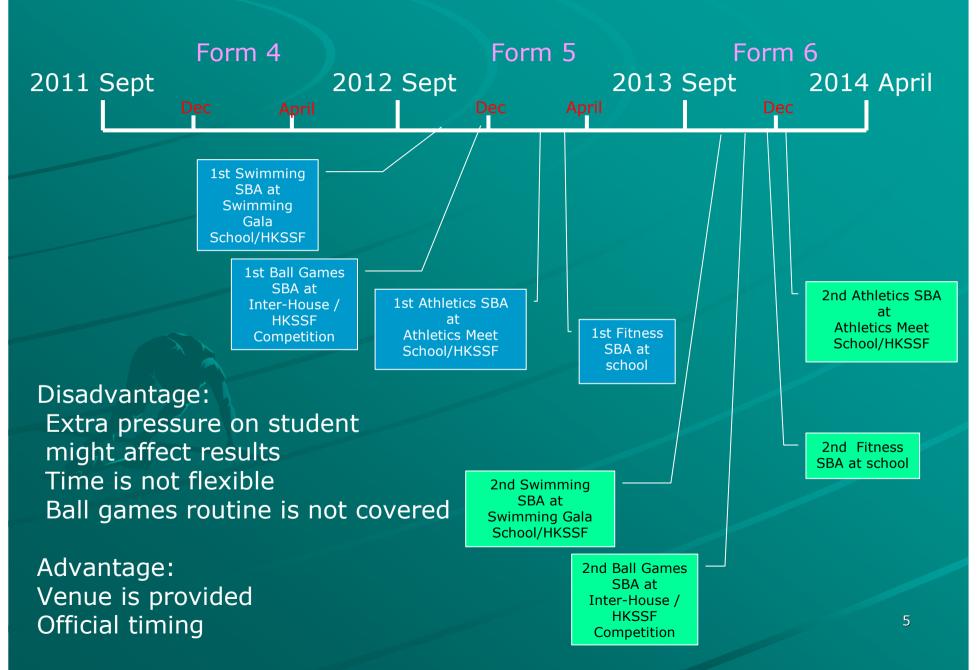

Planning of the time to conduct SBA
 – Teaching schedule

Other events such as Sports Day, Swimming Gala, or HKSSF events
Interspersion of physical activities
Students' workload and teachers' workload

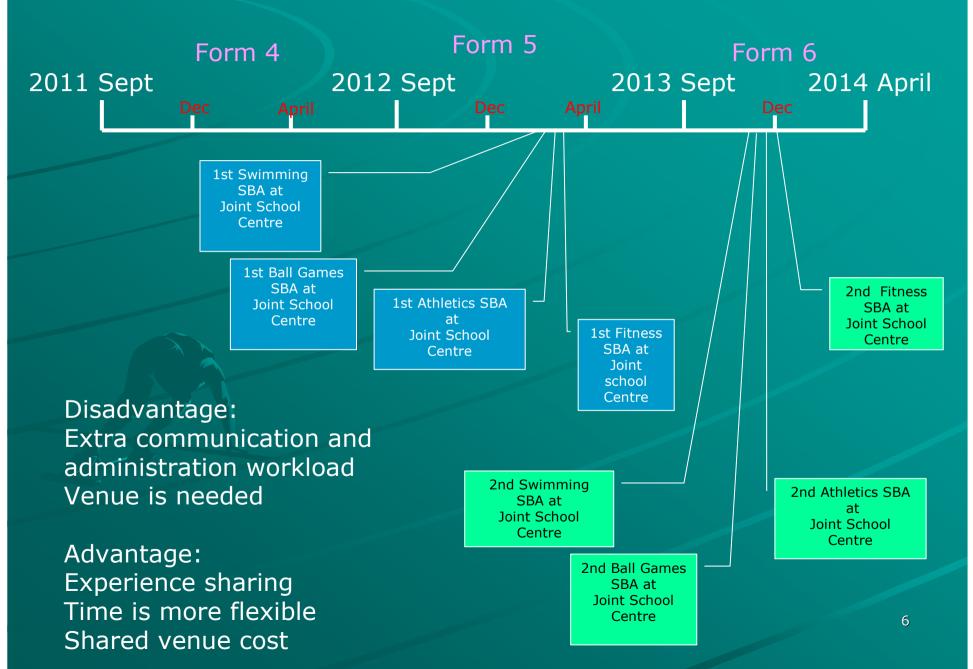

What

 Planning of the time to conduct SBA
 – HKEAA's mark submission date
 Time reserved for post-assessment processing
 – Contingency plan
 Bad weather
 Jnjury

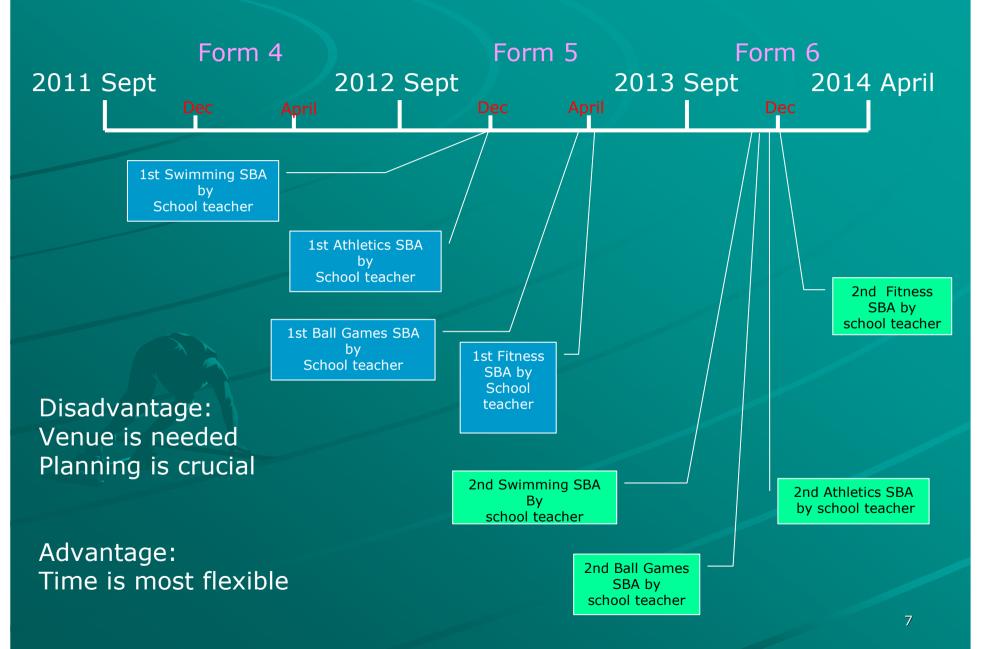

Scenario 1. Fit in competition mode

Scenario 2. Joint school SBA mode

Scenario 3. Single school SBA mode

What

What shall I tell the students?
– SBA dates
– Assessment routine
– Assessment criteria
– How feedback is provided?
– Dispute handling procedures

Early Phase Preparation for SBA

- Have the name list of all PE candidates.
- Confirm their selected sports and event items.
- Calculate the estimated time for each items.
- Book the necessary venue in advance, including contingency plan.
- Briefing on SBA protocol and rules, sample videos, and score table.
- Explain the assessment criteria and marks system.
- Confirm the SBA dates with students and school.

Final Preparation for SBA

- Reminder to all PE candidates (two-weeks before).
- Train the helpers and officials (Trial runs-one day).
- Prepare the record sheet.
- Prepare the number clothes/paper for identification.
- Prepare the video, sports equipment and a firstaid box or team.
- Set up the routine with label
- Briefing on SBA protocol and rules
- Give sufficient warm up time
- Give marks on the spot

How to videotape?
Trial runs
Post-processing
Use of number bib
High-resolution in videotaping

General tips on filming

Fully charge all the batteries

- Make sure there is have enough tape or memory
- Set the record format (Resolution)
- Use auto white-balance / set according to situation (Indoor / outdoor)
- Always use a tripod to hold the camera
- Roll the camera before action
- Use a clapperboard to identify the candidates

Filming tips for Individual Event

Athletics

- Starting gun/horn, stop-watch & measuring tape is needed
- Correct weight of equipment
- Field event should focus on body action not the flying discus/javelin/shot
- Turn on timer / counter
- Shoot on the side in which the body action can be clearly seen
- Shoot the whole body in action
- Use panning and close-up to mid-shot if necessary, (panning refers to the horizontal movement of camera)
- Each film only covers one candidate

Filming tips for Individual Event

Swimming

- Starting gun/horn, stop-watch is needed
- Cover the whole body in action
- Side view shot
- Turn on timer / counter
- A tripod with roller is preferable for follow shot
- Use panning and Close-up to mid-shot in competition, (panning refers to the horizontal movement of camera)
- Each film only cover one candidate

Filming tips for Ball Games

- Matching Players number with candidates' name on clapperboard or score-sheet.
- A referee is preferable
- Table Tennis
 - Cover the whole court
 - Candidate face the camera
 - Each film only cover one candidate
 - Fix horizontal angle on tripod
- Badminton Volleyball
 - Cover the whole court
 - Candidate face the camera
 - Each film cover one side candidates (Maximum two)
 - Fix high angle on tripod is preferable
- Volleyball
 - Cover the whole court
 - Candidate's back to the camera
 - Each film covers one side of candidates (Maximum six)
 - Fix end line lateral high angle is preferred to avoid overlapping of candidates
- Basketball and Football
 - Cover the whole court
 - Shoot at the middle of the court, use panning and Close-up to mid-shot to follow competition
 - Each film covers all the candidates

Some reminders

- Feedback should be given to the student to enhance teaching & learning.
- Mark should be told to the students and disputes, if any, would better be resolved on the spot and within the school.
- Report the video performance results not personal best.
- One take only, briefing and trial runs is important.

 School teachers are responsible person in SBA, outside helper and assessor should be appointed by school principal and they are not responsible person, but you are.

How to secure sport venues?
 School sports functions
 LCSD
 Joint-school arrangement

How to design school-based assessment routines?

- Abilities to be covered
- Best suit the special circumstance of the school
- Liaise with your District Coordinator

How to handle misbehavior?
 – Advance warning / communication
 – Detection of plagiarism
 – Late or no submission

How to keep the SBA results and records?

- Computer copies + backup copies
- Score sheets scanned

 Identification and mapping of students in the videos

Thank you!
