Active and Healthy Lifestyle

Aims and objectives of PE In Hong Kong

Values and Attitudes

Generic Skills : 4C+2A

WHY MASS EXERCISE ?

Promote Active and Healthy Lifestyle

The slide features a vertical yellow bar on the left with a golden sun icon at the top and four golden sun icons below it. The main content area has a light grey background with a yellow header containing the title. Below the title is a bolded subtitle, and a photograph shows a group of school children in white and maroon uniforms participating in a physical education activity on a green court.

WHY MASS EXERCISE ?

Cultivate Positive Values and Attitudes

The slide features a vertical yellow bar on the left with a golden sun icon at the top and four golden sun icons below it. The main content area has a light grey background with a yellow header containing the title. Below the title is a bolded subtitle, and a photograph shows a large group of school children in white and dark uniforms participating in a mass exercise activity on a green court.

WHY MASS EXERCISE ?

Develop Generic Skills

A group of students in a gymnasium are performing a synchronized exercise. They are standing in a line, facing forward, with their arms raised above their heads. They are wearing blue shirts and white shorts. The gymnasium has a wooden floor and red curtains in the background.

WHY MASS EXERCISE ?

Develop Generic Skills

Two students are standing on an outdoor basketball court, facing each other and performing a high-five exercise. They are wearing blue shirts and white shorts. The court is green with white lines. In the background, there are tall buildings and a clear sky.
