### Animals/Pets

#### Worksheet A

Old Mr. White lives alone in a house with five rooms and a big yard. He has nothing to do and feels lonely. He thinks it is too quiet in his house and so he would like to have a big dog running around him all day.

Now can you suggest one breed that Mr. White may keep?

Mr. White may keep a Siberian Husky . It is a big (size) dog. It weighs 35 – 60 pounds (and is 20-23.5 inches in height). It has a medium, straight coat and is black or white in colour.
