

**Second Meeting of the Curriculum Development Council Committee  
on Applied Learning (2011-13)**

**26 March 2012**

**Gist of Meeting**

- The latest development of Applied Learning courses under the new academic structure, including promotion activities, dissemination of course information, professional development programmes, funding arrangement and research studies, was briefly reported.
- The Committee agreed that an invitation to expression of interest exercise would be launched to enhance Applied Learning course provision and the portfolio of courses under the six areas of studies.
- Course review, revision and refinement would be conducted by batches. The review would mainly be based on course portfolio, student demand, curriculum design, track record and feedback obtained in the self-evaluation process.
