

**Curriculum Development Council Committee
on Applied Learning (2015-2017)**

Gist of the Second Meeting

Date of meeting: 14 January 2016

Salient points of the discussion:

1. The progress of the implementation of Applied Learning, including the enhanced funding arrangement, the public relations activities and the piloting on accreditation of Applied Learning courses under the Qualifications Framework was reported. Also, there were multiple pathways for Applied Learning graduates.
2. For the provision of Applied Learning courses, Members exchanged views on the development of courses to enhance the Applied Learning course portfolio for the 2017-19 cohort, and to match stakeholders' expectations, and the social, economic and technological needs of the local society and the global trend.
3. For the updates in funding arrangement, measures would be adopted to ensure the course fee increase be maintained at a reasonable level and the subsidies be used effectively.
