

**Curriculum Development Council Committee
on Applied Learning (2015-2017)**

Gist of the Sixth Meeting

Date of meeting: 23 June 2017

Salient points of the discussion:

1. Views on the development and implementation of Applied Learning, including a series of events to facilitate the launching of the 2017-19 cohort and measures to support schools in implementing Applied Learning, were exchanged.
2. Regarding the updated Applied Learning Curriculum and Assessment Guide (Senior Secondary Level), both the English and Chinese versions were endorsed.
3. Courses had been developed to enhance course provision of Applied Learning courses for the 2018-20 cohort or thereafter. Course provision of Applied Learning courses (including the proposed courses and the updating of existing courses) was discussed. The course provision of the 2018-20 cohort was accepted and the course list of the 2018-20 cohort was endorsed.
