

**Curriculum Development Council Committee
on Applied Learning (2017-19)**

Gist of the Third Meeting

Date of meeting: 5 July 2018

Salient points of the discussion:

1. Views on the development and implementation of Applied Learning, including a wide range of promotion activities to facilitate the launching of the 2018-20 cohort and support measures to facilitate schools' implementation of Applied Learning, were exchanged.
2. Courses had been developed to enhance course provision of Applied Learning courses for the 2019-21 cohort or thereafter. Course provision of Applied Learning courses (including the proposed courses and the updating of existing courses) was discussed. The course provision of the 2019-21 cohort was accepted and the course list of the 2019-21 cohort was endorsed.
