

Curriculum Development Council Committee on Applied Learning (2017-19)

Gist of the Fourth Meeting

Date of meeting: 18 September 2018

Salient points of the discussion:

1. Views on the development and implementation of Applied Learning, including the performance of Applied Learning students in the 2018 Hong Kong Diploma of Secondary Education Examination, the launching of the 2019-21 cohort, stories of Applied Learning graduates, and Applied Learning Chinese (for non-Chinese speaking students), were exchanged.
2. The course provision of Applied Learning courses was discussed. Views on the development, review and refinement of Applied Learning courses to enhance the Applied Learning course portfolio for the 2020-22 cohort were exchanged.
