

**Gist of the First Meeting of the
CDC Committee on Physical Education (2000-2001)
held on 15 September 2000**

1. Mr. KWOK Wai-cheung was elected as the Chairperson of the Committee.
2. The minutes of the last meeting were confirmed with amendments.
3. PE should be offered to students at all levels and about 5% of lesson time should be allocated to it.
4. A curriculum review meeting was held with Prof. J. Elliott in August 2000. The meeting was well represented by different parties.
5. The PE curriculum framework was endorsed.
6. Members gave comments on the development of teacher in-service education, teaching contents, guidelines to teachers, parent education and resources to support the reform.
7. Members were invited to give comments to the consultation document before the public consultation in October 2000.
8. A group of members were nominated to vet the bids for the Research and Development Projects.
