

**Gist of the Third Meeting of the  
CDC Committee on Physical Education (2000-2001)  
held on 19 January 2001**

1. The minutes of the last meeting were confirmed without amendment.
2. Eight consultation forums on “Learning to Learn: Way Forward in Curriculum Development – Physical Education” were held. The attendees in general supported the proposed framework in PE and the main objectives of the curriculum reform. Members were invited to submit comments to the Secretary.
3. Four Collaborated Research and Development Projects would be started after the Chinese New Year.
4. A meeting was held with the tertiary institutions and related organizations to discuss the PE teacher education programs and possible implication to future PE development.
