

**Gist of the Second Meeting of the
CDC Committee on Physical Education (2001-2002)
held on 11 January 2002**

1. The minutes of the last meeting were confirmed without amendment.
2. There were altogether five Collaborative Research and Development Projects (2001-2002). School visits were commenced to collect evidences and provide support.
3. The Workshops for Mentors of PE Curriculum Leaders in Primary Schools were conducted in December 2001. The second batch of the program would be organized in April 2002.
4. After the endorsement of the outline of the Curriculum Guide at the meeting, a draft was prepared and sent to members, tertiary institutions and related bodies for consultation. Some of the comments were discussed at the meeting.
5. The meeting entrusted the secretariat to prepare a final draft of the Curriculum Guide for members' information.
6. Members were briefed about the proposed senior secondary education structure and a discussion was held on the issue.
