

**Gist of the First Meeting of the
CDC Committee on Physical Education (2002-2003)
held on 12 September 2002**

1. Mr. KWOK Wai-cheung was elected as the Chairman for the year of office.
2. The minutes of the last meeting were confirmed with a minor amendment.
3. The PE KLA Curriculum Guide was published and dispatched to schools. Forums would be held to introduce the key messages of the Guide.
4. It was agreed at the meeting that the conduct of teacher development programs, parents' and principals' support, better teacher networking and the tertiary institutions' positive attitudes towards students' PE performance would enhance the promotion of the PE curriculum.
5. Three Collaborative Research and Development Projects (2002 - 2003) would be conducted. The titles of the projects were "The Development of Mass Exercise in Schools", "Assessment of Fundamental Movements" and "Assessment in PE".
