

**Gist of the Joint Meeting of the
CDCC(PE) & CDC-HKEAA Committee on PE (Senior Secondary)
held on 28 January 2005**

1. The minutes of the last meeting held on 11 Oct 2004 were confirmed without amendment.
2. A total of 707 PE teachers from 427 secondary schools attended the 4 seminars on New Senior Secondary Curriculum (PE) held in Nov 2004.
3. Feedback of the first round consultation ended on 19 Jan 2005 was summarized in the tabled document “新高中課程諮詢 – 體育學習領域 結果重點與跟進建議”. A key suggestion was to state clearly the 5% of the total curriculum time should be allocated to PE as an element in other learning experiences in the second round consultation.
4. The major amendments of the PE Elective were presented. Members suggested:
 - To include topics on “Legal Aspects of PE, Sport, and Recreation” in the curriculum.
 - To provide more information on Module 10: “Sports Performance”.
 - To further fine-tune the language of the document.
5. The public assessment of the PE Elective was presented:
 - It was agreed that students’ sport performance should be included and the maximum weighting would be 30%.
 - Based on the activities listed in the PE KLA Curriculum Guide (Primary 1 – Secondary 3) (2002), students would have more choices on physical activities.
 - Members had a lengthy discussion on including physical fitness in the public assessment or not.
