

Gist of the Second Meeting of the
CDC Committee on Physical Education (2007-2009)
held on 09 July 2008

1. Dr CHOW Chi-kin joined the committee to replace a member who ceased to be a school head and had resigned from the committee in April 2008.
2. Mr LAU Chi-chung was invited to join the committee as a co-opted member.
3. Members discussed the following topics:
 - Recent development of the New Senior Secondary Physical Education Curriculum – Public assessment
 - Strand-specific curriculum content (“health and fitness”, “sport-related values and attitudes”, and “knowledge and practice of safety”)
 - The KLA Supplementary Guides produced by the Centre for Advancement in Special Education, University of Hong Kong
