

Gist of the Fourth Meeting of the
CDC Committee on Physical Education (2009-2011)
held on 3 July 2009

1. Members received information and shared their views on the following topics:
 - Recent development of the New Senior Secondary Physical Education Curriculum – Public assessment
 - The draft of “Strand-specific Curriculum Contents” (the six strands were “motor and sports skills”, “health and fitness”, “sports-related values and attitudes”, “knowledge and practice of safety”, “knowledge of movement” and “aesthetic sensitivity”)
2. Members endorsed the recommendations put forward by the working group on “core physical activities”; the selected core physical activities included athletics, basketball, volleyball, table-tennis, football, handball, badminton, basic gymnastics, rhythmic movements, swimming and physical fitness.
