

**Gist of the Fifth Meeting of the
CDC Committee on Physical Education (2013-2015)
held on 7 July 2015**

1. Members were briefed and discussed on the professional support services provided by the PE Section, EDB in the 2014/15 s.y., including the Fundamental Movement Learning Circle, the Senior Secondary PE Learning Circle, the provision of Professional Development Programmes, and the progress of the Fitness Survey for Secondary Schools.
2. Members were briefed and discussed on the update of the PE Key Learning Area Curriculum Guide, including the Learning to Learn 2.0 elements such as Refined Generic Skills, Values and Attitudes, Entrepreneurial Spirit, Humanistic Qualities, Literacy, Information Literacy and STEM (Science, Technology, Engineering, and Mathematics) Education.
3. Members were briefed on the update of the New Academic Structure (NAS) Medium-term Review (MTR) on the two PE proposals, (a) change of 100m boys hurdles to 110m hurdles, and (b) adoption of physical activity review mechanism, which was endorsed by the Curriculum Development Council and the Public Examination Board, the HKEAA in June 2015. A working group for the new physical activity, i.e., handball for the public examination, would be set up in August 2015.
4. The membership list of the CDC-HKEAA Committee on PE (Senior Secondary) 2015-2017 was endorsed.
