

Gist of Sixth Meeting of the
CDC Committee on Physical Education (2015-2017)
held on 3 July 2017

1. Members were briefed on the professional support and activities provided by the PE Section in the 2016/17 school year.
2. Members were briefed on the details of two briefing sessions on the “Ongoing Renewal of the School Curriculum: Updating of the PE KLA Curriculum Guide” (2017). Strategies for helping students develop regular exercise habits to meet the World Health Organization’s recommendation, i.e. accumulate at least 60 minutes moderate-to-vigorous intensity physical activities daily, were shared and discussed.
3. Members endorsed the membership list of the CDC-HKEAA Committee on PE.
