

CDC Committee on Science Education (2012-2013)
Gist of Second Meeting (25 January 2013)

1. The minutes of the last meeting were confirmed with an amendment suggested by the representative of the Kindergarten and Primary Section.
2. Matters arising from the minutes
 - Members were updated on the progress of the review of the NSS science curricula.
 - The progress of forming an ad hoc committee on the revisit of the junior secondary science curriculum was reported.
 - The work regarding the promotion of students' process skills in junior secondary science and promoting holistic curriculum planning in Science Education KLA were reported.
3. The summaries of the school survey data and the proposed recommendations for the changes to the curricula and assessment of NSS science subjects were reported and discussed. Members endorsed the proposed recommendations.
