CDCC on Technology Education (1999-2000)

Gist of the Second Meeting

Date :   31 January 2000

Time: 9.00 a.m - 12.50 p.m

Venue   :   Room 408, 24 Tin Kwong Road, Kowloon.

Points discussed and conclusion arrived:

1. Report of the two forums for Technology Education in Hong Kong held in December 1999 and a summary report of four submissions lodged with the Department as responses to *A Holistic Review of the Hong Kong School Curriculum: Proposed Reforms* were presented to the Committee for discussion.

2. Members gave comments on the draft curriculum framework for Technology Education and the Committee adopted the framework subject to further development.

3. The information paper *Connecting New Technical Curriculum with Curriculum 2000* was adopted and would be forwarded to the Council for endorsement.

4. Members agreed to set up the *Ad Hoc Committee on the Development of Information Technology Learning Targets* to oversee the development of the titled learning targets.

5. Members gave comments on the two glossaries of terms, *Design & Technology* and *Electronics & Electricity,* and agreed that they should be amended and circulated to members for endorsement.

6. A.O.B.
   a. It was agreed that Mr. Lam Yat-fung, James, the Principal of Lions College, should be invited to serve the *CDCC on TE* as a co-opted member.
   b. It was raised that deliberations on the 3+3+4 structure should be made in future meetings.
   c. Members were briefed on the progress of the development on Technology Education in the primary subject *General Studies.*
   d. Members were briefed on the *Benjamin Franklin Science and Technology Program* based at the Pennsylvania States University in the U.S.A.

e. Members were briefed on the arrangement of Chairmanship in the *Ad Hoc Committee on the Development of Business Subjects*.
