

Committee on Technology Education

CDCC on Technology Education (2000-2001) Gist of the First Meeting

Date: 8 September 2000
Time: 2:30 p.m. – 7:00 p.m.
Venue: Conference Room, 24 Tin Kwong Road, Kowloon

Points discussed and conclusion arrived:

1. Members endorsed the invitation of a school principal to be the third co-opted member.
2. Members noted the development of the draft syllabus Computing Studies and Application (S4-5).
3. Members concurred with the content of the draft document *Technology Education: Consultation Document* and agreed that its enhanced version should be forwarded to CDC to be endorsed for public consultation.
4. Some members requested to explore the possibility of launching a revision task for Computer Studies (S4-5) without affecting the present position of Information Technology (S4-5) and the Chairman ruled that there should be an emergency meeting to clear up the issue if necessary.
