

**Gist of Minutes of the Twentieth Meeting of
the CDC Committee on Technology Education (2003-2005)**

Date: 21 April 2005 (Thursday)

Time: 2:30 p.m. – 5:45 p.m.

Venue: Room G08, 24 Tin Kwong Road, Kowloon

Summary of Points Discussed / Resolved

- Based on the feedback collected from the 1st consultation and subsequent meetings and discussions held by respective CDC-HKEAA Committees on Business, Accounting and Financial Studies, Design and Applied Technology, Home Economics, Health Management and Social Care, Information and Communication Technology (Senior Secondary), the Secretaries concerned highlighted the adjustments / modifications made in the related 2nd draft consultation documents for CDCC(TE) Members' views and comments.
- It was emphasized that the main purpose of the second consultation would be to collect feedback from various stakeholders on the details regarding the revised design of the curriculum and assessment frameworks based on the views and comments from the first consultation.
- All members agreed to the suggested amendments and endorsed in principle for releasing the drafts of the Curriculum and Assessment Frameworks of the above five elective subjects developed under TEKLA for the second stage consultation of NSSC.
- Members were informed that the draft consultation documents would be printed and delivered to schools in early Jun 2005 followed by a series of consultation seminars in the form of teacher professional development programmes in mid-Jun 2005. The consultation period would be from Jun to end of Sep 2005.
