

**Gist of Minutes of the Twenty-eighth Meeting of
the CDC Committee on Technology Education (2005-2007)**

Date: 23 Apr 2008 (Wednesday)

Time: 2:30 p.m. – 5:00 p.m.

Venue: Room W420, 4/F., West Block, Education Bureau Kowloon Tong Education Services Centre, 19 Suffolk Road, Kowloon Tong, Hong Kong

- Time schedule for implementation of School-based Assessments for related new senior secondary elective subjects developed under the Technology Education Key Learning Area were reported.
- On-going professional development programmes to prepare teachers for the teaching of the above elective subjects were organized as scheduled. The attendance rates were satisfactory and some of the upcoming programmes would be turned to partially web-based mode with face-to-face tutorials to meet the requests of teachers concerned.
- Background for reviewing the Technology Education Key Learning Area Curriculum Guide (CDC, 2002) was explained and Members considered that a questionnaire to collect their views would be useful to provide basic data and information for further discussion in the next meeting.
