CDC Committee on Technology Education (2015-2017)

Date:　9 March 2017
Time:　2:30 p.m.
Venue:　Room 404, 4/F, West Block, Education Bureau Kowloon Tong
　　　　　Education Services Centre, 19 Suffolk Road, Kowloon Tong,
　　　　　Kowloon

- As a matter arising from the last meeting, members were reported the follow-up actions on the safety use of equipment and the Makers' lab for the promotion of STEM Education in schools.

- Members were reported on the latest development of the curriculum and assessment of Technology Education subjects and updated on the support measures provided to schools after the last meeting in October 2015.

- Members were updated the work progress on the adoption of various strategies for promoting STEM Education in schools.

- Members were briefed that two identical briefing sessions on the updated TE KLA Curriculum Guide would be conducted in May 2017 and the draft of TE KLA Curriculum Guide would be uploaded on the EDB webpage.

- The Meeting was introduced the coding education proposed in primary schools. Members discussed on the issue and generally had a positive view of it.
