

**Gist of Second Meeting
Curriculum Development Council Committee
on Technology Education (2023-2025)**

Date : 9 April 2024 (Tuesday)

Time : 2:30-5:00 p.m.

Venue : Room W301, 3/F, West Block, Kowloon Tong Education Services Centre, 19 Suffolk Road, Kowloon Tong

1. The minutes of the 1st meeting of the CDCC on TE (2023-2025) were confirmed.
2. The progress on the review of the senior secondary Design and Applied Technology (DAT) curriculum and assessment framework (C&AF) was reported. Members noted the review and commented on the direction of the updating of the C&AF, as well as supported the way forward of the renewal of the DAT curriculum.
3. Members were briefed on the latest development and support measures of Technology Education curriculum at the senior secondary level.
4. Members were briefed on and discuss the work progress of the promotion of STEAM education and innovation and technology education.
