

Gist of the Meeting (June 2024)

The 3rd Meeting of CDC Standing Committee on Values Education 2023/25 was held on 18 June 2024 (Tuesday). Gist of discussion is summarised below:

- 1. The minutes of the last meeting were confirmed without any amendments.**
- 2. Updating of the outline, relevant contents and work schedule of the *Values Education Curriculum Framework***
 - Members noted and agreed to the updates of the outline, key contents and work schedule of the *Values Education Curriculum Framework*, and provided suggestions for the relevant parts of the *Curriculum Framework*.
- 3. The promotional work of values education**
 - Members noted and agreed with the EDB's approach of promoting values education through cross-curricular collaboration and mutual coordination, as well as the relevant work plan for the 2024/25 school year.
- 4. Promoting values education to parents and the public**
 - Members noted and discussed parent education and promotional activities relating to values education, and offered suggestions on the support and publicity strategies to further promote values education.
- 5. A.O.B.**
 - The Chairperson proposed to organise visits to the Mainland for members to understand the contributions of enterprises in rural revitalisation through construction and development works. Members noted and agreed with the related arrangements.
