

## Lesson 8 Composition: *Preparing to write a music review*

Either: a) Students select a CD or a music video by their favourite artist to review;  
or b) The whole class is shown a music video from Youtube.

Listen to the music and make notes in the mind map below.

The graphic organiser can help you organise your ideas for the review. Just put the key words and interesting ideas that you would like to use in your writing in it.

## Bonus marks for composition

Below are areas your teachers will focus on when awarding bonus marks. The total of the bonus mark is 5.

Vocabulary (3 marks)+ Topic sentences (2) = 5

### VERY IMPORTANT!!!

For you to get the bonus marks, you **MUST**:

- **Vocabulary:** highlight the target words related to the focus and
- **Topic sentences:** Underline the topic sentences

### 1. Vocabulary

1	Made an attempt to use at least 5 target words/phrases. At least one of them is used appropriately and accurately in the context.
2	Shown effort in using at least 5 target words/phrases. Most of them are used accurately and appropriately in the context.
3	Shown effort in using at least 5 target words/phrases and all of them are used accurately and appropriately in the context.

### 2. Topic sentences

1	At least half of the paragraphs have a topic sentence that tells the reader what the rest of the sentences in the paragraph are about.
2	All the paragraphs have a topic sentence that tells the reader what the rest of the sentences in the paragraph are about.
