

## My friend's favourite place in Stanley: Note Taking Sheet

Take notes of what your group members tell you about their favourite place in Stanley while you are listening to them. After everyone has finished their presentation, choose the best one in the group. Your teacher may ask you to tell him/her the most interesting place in your group to the whole class. You can make use of the information you jot here to tell the story to your classmates.

<b>Name of group member</b>			
<b>Favourite place</b>			
<b>What they did there</b>			
<b>Reasons for liking the place</b>
