### 1. Objectives

This support service aims to:

- enhance teachers' leadership capabilities to improve subject management and sustain changes
- empower curriculum leaders to respond to various curriculum initiatives and integrate them into the school curriculum

### 2. Foci of Support

- To address the needs of curriculum leaders: leadership capabilities development, personal growth and understanding of curriculum initiatives (e.g. values education, Learning/Language/Reading across the Curriculum)
- To develop curriculum leaders' confidence and efficacy to lead, sustain and deepen change in their own context
- To provide a platform for curriculum leaders to exchange their experience and skills in managing the English Department and promoting the development of the English subject
- To enhance target teachers' curriculum leadership capabilities through diversified support activities, which include the following in general:
  - theme-based workshops
  - flipped learning
  - regular on-site support/meetings (e.g. collaborative lesson planning, intra-school lesson study / lesson observation and post-lesson discussion)
  - inter-school networking activities (e.g. inter-school lesson observation, sharing of school-based experience, inter-school visits)
