¹ We build on our existing practice to provide two PE lessons for our students in NSS.

² To ensure sufficient structured AD learning opportunities for students, we plan to offer either Music or Visual Arts lessons for all in the NSS.

³ Museum Day will be arranged for the whole school in the 2nd term every year. We build on our existing practice of providing art appreciation learning opportunities for students to experience a day in museums, e.g. the Hong Kong Museum of Art, Hong Kong Heritage Museum.

⁴ We offer community service, both in-school and outside-school, for our students, e.g. Flag Days for charity organisations, Clean Hong Kong activities. Talks and workshops on CRE will also be arranged for students.

⁵ Activity Day will be arranged for all students to appreciate the harmony of nature and to promote civic awareness of environmental protection. Activities will include visit to Wetland Park, Botanic Garden and etc.
