

OLE Time Arrangement: self-checking calculation (G.T. (Ellen Yeung) College)

Note: This table only illustrates a self-check exercise showing how a school's OLE programmes can satisfy the said time requirements. Undoubtedly, there are **many other** OLE related activities happening in the school to achieve whole person development. The enlisted provisions are only those arranged **for all** and **best fit** the OLE aims and expected outcomes in this self-checking calculation.

Timetabling details: 35 mins/period; 10 periods/day; 5 days/week; 34 weeks

¹ Sports Friday are after-school sports activities for all students. Different kinds of sport activities are offered to students, such as badminton, soccer, bicycle, table tennis, taekwondo, fencing, netball and handball etc.

² To ensure sufficient structured learning opportunities in AD, we arrange 2 Talent Class periods per week. Talent Class program offers various art subjects for students to choose and to participate, such as music, visual arts, dance and drama, etc.

³ Extended Talent Class is arranged outside school hours by school for students to participate, such as public exhibition, performance and competition. As part of the scheme, students are also required to attend concerts or exhibitions that are related to the art subjects they take.

⁴ A Chinese village visit programme will be provided for Grade 10 students. Services like teaching primary school kids and helping farm work for the farmers will be arranged. A total of 40 hours community service will be arranged in a 4-day visit. Other CS programmes will also be organised by the class and student union for all senior secondary students.

⁵ Example of other CRE programme will include university visit for Grade 12 students
