¹ We provide AD opportunities to S.4 students in the form of Music lesson. But for S.4E, students will only join the Young Audience Scheme, in which students will participate in a total of 6 - 8 hours of AD appreciation sessions. This curriculum will be reviewed next year to ensure sufficient AD entitlement for all S.4 students. For S.5 and S.6, all students will take Chinese Arts Appreciation lesson.

² This activity will be held during the worship in Easter, Christmas, Opening and Closing ceremonies.

³ There is no fixed curriculum. A number of educational packages about moral education and counseling will be used during this period.

⁴ We are a Christian school. Religion lesson is a must for all students at all levels.

⁵ We provide many in-school services opportunities for all students, such as prefects, house captains and key posts in students' unions.
