² Students will have regular AD lessons (mainly within normal school hours) offering learning experiences of various art forms in S4 and 5. Students will have 5 - 6 AD modules, including drama and visual arts, to study in S4. They could opt to take any one of them as extended study in S5. Students of S6 will have structured learning for AD in OLE periods.

³ Learning opportunities include visits, talks and workshops and service opportunities.

⁴ Regular OLE periods will be arranged to fill the 'gaps' and enrich student learning in OLE.
