

# e-Navigator

## Multiple Pathways under the New Academic Structure

A course searching tool

<http://eNavigator.edb.hkedcity.net>

"e-Navigator" smartphone application (APP) is the latest career exploration tool to help students search course information across different local institutions and levels including degrees, higher diplomas, associate degrees, Diploma Yi Jin and other programmes from the Qualifications Register.

Android

**The APP is available for download via smartphone or at the above website.**

iOS

**Remember to regularly update the APP!**

**Education Bureau**  
The Government of the Hong Kong  
Special Administrative Region

香港輔導教師協會  
Hong Kong Association of  
Careers Masters and Guidance Masters

## What are the features of "e-Navigator"?

-  Over 4 800 local programmes from JUPAS, iPASS, Diploma Yi Jin and Qualifications Register for searching
-  You can access information of individual programmes from official webpages directly via links
-  Other than specifying a search by Area of Study and Institution, you can enter expected or actual examination results to conduct advanced search
-  You can refer to the admission scores of various JUPAS programmes of last year
-  You can save searched programme information for future reference
-  You can share programme information to classmates and teachers by emails
-  Programme information is regularly updated

This programme searching tool is for reference only. For detailed and updated programme information, please refer to the official website of respective institutions.

**Via APP you can access programme information anytime and anywhere**

(The APP is available for download via smartphone or at "e-Navigator" website)

A student who has tried "e-Navigator" said, "Years ago my brother had to browse different institution websites in order to select course information. That was time consuming. Now I'm happy to have 'e-Navigator' to help me with the searching."

A parent after using "e-Navigator" said, "The tool enables my son to search information across different institutions and levels. Though he might not have good exam results, this tool has helped him think about his plan-B for studies. It is very practical."

A career teacher said, "Nowadays youngsters like to use APP. APP version of 'e-Navigator' can cater for students' latest trend of getting information and enable them to search for relevant programme information anytime and anywhere."
