PREAMBLE

This syllabus is one of a series prepared for use in secondary schools by the Curriculum Development Council, Hong Kong. The Curriculum Development Council, together with its coordinating committees and subject committees, is widely representative of the local educational community, membership including heads of schools and practising teachers from government and non-government schools, lecturers from tertiary institutions and colleges of education, officers of the Hong Kong Examinations Authority and those of the Advisory Inspectorate and other divisions of the Education Department.

All syllabuses prepared by the Curriculum Development Council for the Sixth form will lead to appropriate Advanced and/or Advanced Supplementary level examinations provided by the Hong Kong Examinations Authority.

This syllabus is recommended for use in Secondary 6 and 7 by the Education Department. Once the syllabus has been implemented, progress will be monitored by the Advisory Inspectorate of the Education Department. This will enable the Mathematics Subject Committee (Sixth Form) of the Curriculum Development Council to review the syllabus from time to time in the light of classroom experiences.

    All comments and suggestions on the syllabus may be sent to:
    Principal Curriculum Planning Officer (Sixth Form),
    Curriculum Development Section,
    Advisory Inspectorate,
    Education Department,
    Lee Gardens,5/F,
    Hysan Avenue,
    Causeway Bay,
    Hong Kong.
