

Comparison between
Pure Mathematics Curriculum and Assessment Guide
(Advanced Level)
and
Syllabuses for Secondary Schools – Pure Mathematics
(Advanced Level) 1992

This Pure Mathematics Curriculum and Assessment Guide (Advanced Level) is a revised edition of the version published in 1992. Some topics have been deleted or trimmed. For ease of reference of teachers, these topics are enclosed in boxes like from the 1992 version, page for page. Notes and additional remarks are enclosed in boxes like to delimit the complexity of teaching.
