

**Title of School-Based Support Service (Learning Community)  
(2024/25)**

Learning Community for Primary School Master/Mistress (Curriculum Development) [PSM(CD)]: Promoting Curriculum Initiatives and Developing Curriculum Leadership, themes including (A) Values Education, (B) STEAM Education and (C) Interface between Kindergarten and Primary Education

<p><b>Online Application Code P10</b></p>
---

**1. Objectives**

This support service aims to:

- establish a professional exchange platform for PSM(CD)s to jointly explore and promote curriculum initiatives; and
- broaden the horizons and enhance the leadership of PSM(CD)s with a view to supporting the ongoing renewal of school curriculum through cross-school activities.

**2. Foci of Support**

- This Learning Community consists of three thematic groups on Values Education, STEAM Education, and Interface between Kindergarten and Primary Education\*. Members in the groups will discuss how to plan and implement curriculum initiatives at the school level:
  - Values Education Group: Equip PSM(CD)s with the strategies to nurture in students the positive values and attitudes from multiple aspects, including “Classroom Learning”, “Life-wide Learning”, “Practice and Service”, and “School Atmosphere”;
  - STEAM Education Group: Enhance PSM(CD)s’ competence and confidence in promoting STEAM education through organising and coordinating related curriculum tasks to make STEAM learning activities an integral part of diverse learning experiences; and
  - Interface between Kindergarten and Primary Education Group: Support PSM(CD)s in understanding transition measures, refining curriculum planning as well as learning and teaching design with a view to helping students gradually adapt to the learning requirements of primary education and sustaining their confidence and interest in learning.
- Support PSM(CD)s in promoting and implementing curriculum initiatives through various forms of activities, including thematic seminars, cross-school exchange as well as curriculum planning workshops.
- Refine the planning and implementation of the school curriculum through on-site meetings and consultancy services in response to school development needs.

**\*Schools allocated for the service will be invited to indicate their preferred thematic groups according to school development needs.**

**3. Target Members**

- **Primary School Master/Mistress (Curriculum Development) [PSM(CD)]**

**4. Meeting Time**

- Wednesdays AM or PM (around 8-10 meetings in a school year)
